## D150

### 5.12 cu. ft. Dual Drawer Outdoor Undercounter Fridge

#### Easy Access for Outdoor Entertaining

Introducing our resilient, double drawer outdoor fridge, designed for easy access and user-friendly use. Built to withstand the toughest weather conditions, from rain and high temperatures to high humidity, its weatherproof mechanism can handle sudden showers, tropical climates and is suitable for all markets. Its versatile front venting design accommodates both built-in and free-standing installations, ideal for both commercial and residential settings. Simply pull out any drawer and access the large storage space, ideal for beverages, wine bottles or food, then allow the auto door closing function to do the rest.

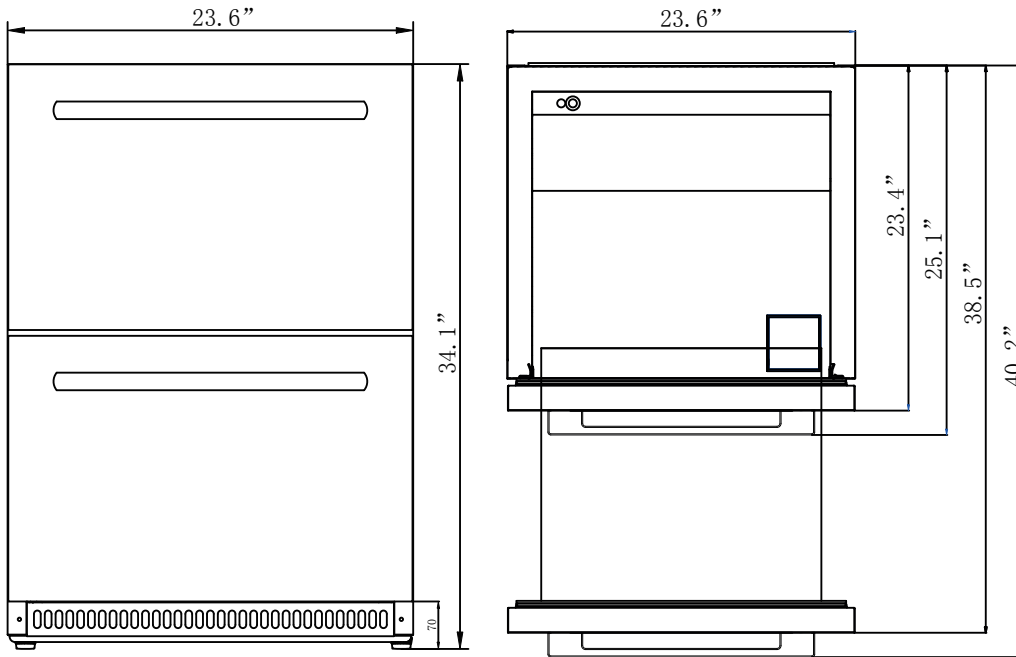

#### AVAILABLE COLORS/OPTIONS

**Seamless  
Stainless Steel**

#### Features and Benefits

<b>Free-standing and built-in capability</b>	Versatile installation options, combine aesthetics and functionality to suit various space requirements. Front-breathing design allows the unit to be built-in under counters.
<b>Durable 430 seamless stainless steel cabinet and door with stylish 3D metal logo and rounded corner metal handle</b>	Sleek design and luxurious finish is enhanced by a strong corrosion resistance, ensuring the product remains durable, attractive and performs well over time.
<b>Indoor/outdoor compatible</b>	Durable, weatherproof construction designed to hold up to the elements.
<b>Anti-vibration system</b>	Quiet operation creates a peaceful environment.
<b>Cross shaped shelves</b>	Enhances storage flexibility and organizational efficiency, allowing you to easily arrange items.
<b>Drawer style</b>	Allows easy organization and storage of different types of food, making it simple to find what you need.
<b>Auto door closing</b>	Enables you to easily close any drawer with your hands full.
<b>Door open alarm</b>	Alerts you promptly to prevent unauthorized access or energy waste when a door is left open.
<b>Digital controller</b>	Allows precise temperature control and ease of adjustment and monitoring.
<b>LED lighting</b>	Find your product fast with an efficiently illuminated interior.
<b>Large storage capacity</b>	Spacious 5.12 cubic feet of storage capacity that holds up to 160 standard 12 oz. cans.
<b>Warranty</b>	1 year parts and labor.
<b>Automatic defrost</b>	Eliminates the hassle of manual defrosting, ensuring the appliance operates efficiently.
<b>Temperature range</b>	32°F to 72°F accommodates various storage needs, providing an ideal environment for your items.
<b>Frost Free</b>	For ease of maintenance. Eliminates frost build-up, giving you more free time to enjoy life's pleasures.
<b>ETL Sanitation certified for safety</b>	Guarantees safety and reliability for peace of mind.
