HOW COOL IS THAT?!

## K188

### 6.04 cu. ft. 24 inch Outdoor Kegerator and Beverage Fridge

#### 2-in-1 Outdoor Fridge and Kegerator

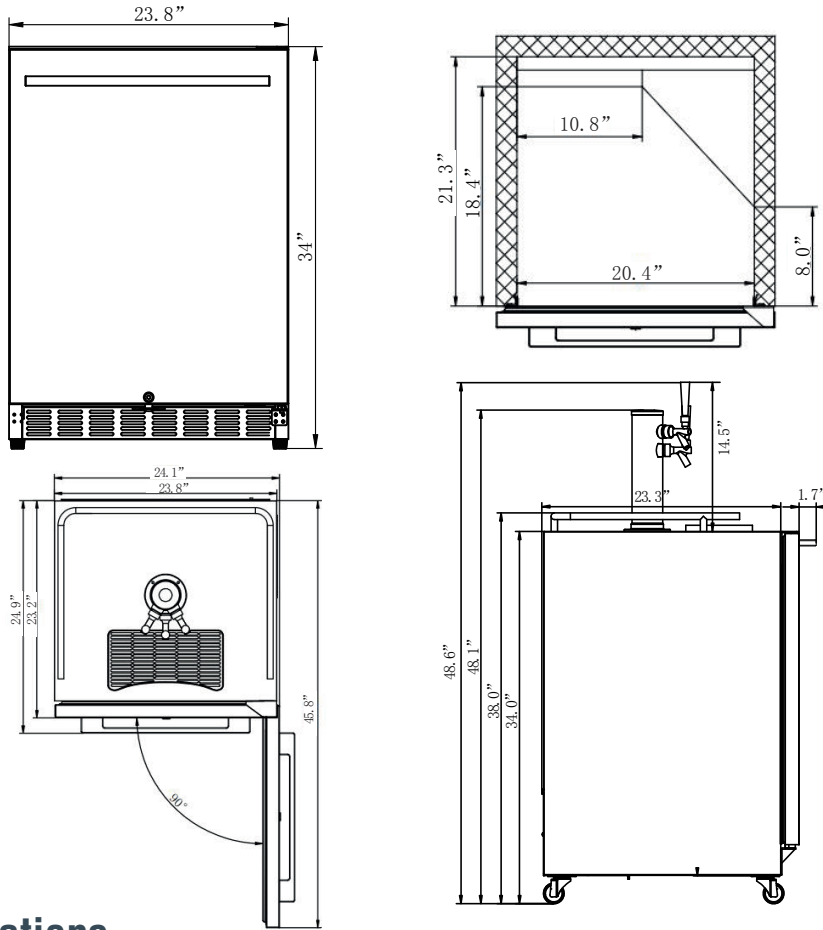

Introducing the Ultimate Outdoor Fridge and Kegerator: Crafted for outdoor adventures, this weatherproof marvel combines superior cooling performance and frost-free operation with unbeatable convenience and maintenance. Whether you're hosting a backyard barbecue or relaxing by the pool, our 2-in-1 wonder has you covered. Three shelves for fridge mode keep your beverages chilled, while three taps in kegerator mode let you pour your favorite brews. It easily accommodates a full-size keg or multiple smaller ones. With the option to go freestanding or built-in, and a reversible door, it's the perfect solution for outdoor entertaining.

#### AVAILABLE COLORS/OPTIONS Seamless Stainless Steel

#### Features and Benefits

<b>2 in 1 Functionality</b>	Can be used as an outdoor fridge with the 3 wire shelves or as a 3-tap kegerator big enough to accommodate one full size keg (15.5 gallon), two ¼ beer barrels (7.75 gallon each) or three 5 gallon kegs (kegs are not included).
<b>Full accessory kit</b>	Includes D system keg tapping kit, which allows you to dispense cold draft beer straight from the keg, the guard rail, drip tray, casters, safety lock and 3 wired shelves for the fridge.
<b>ETL Sanitation certified for safety</b>	Guarantees safety and reliability for peace of mind.
<b>E-STAR rating for energy efficiency</b>	Saves you money on energy. Enjoy top-tier performance and environmental responsibility.
<b>Free-standing and built-in capability</b>	Versatile installation options, combine aesthetics and functionality to suit various space requirements. Front-breathing design allows the unit to be built-in under counters.
<b>Durable 304 seamless stainless steel door with stylish 3D metal logo and rounded corner metal handle 430 seamless stainless steel cabinet</b>	Sleek design and luxurious finish is enhanced by a strong corrosion resistance, ensuring the product remains durable, attractive and performs well over time.
<b>Indoor/outdoor compatible</b>	Durable, weatherproof construction designed to hold up to the elements.
<b>Anti-vibration system</b>	Quiet operation creates a peaceful environment.
<b>Sliding shelves</b>	Provide easy access to items at the back, simplifying organization and retrieval for improved storage efficiency.
<b>Reversible door</b>	Offers flexible installation options for convenient use and maximizing space utilization in any layout.
<b>Door open alarm</b>	Alerts you promptly to prevent unauthorized access or energy waste when a door is left open.
<b>Digital controller</b>	Allows precise temperature control and ease of adjustment and monitoring.
<b>Matching black aluminum shelf</b>	Adds a cohesive touch to the design, offering a durable storage solution that enhances the space's aesthetic.
<b>Temperature range</b>	32°F to 50°F accommodates various storage needs, providing an ideal environment for your items.
<b>Frost Free</b>	For ease of maintenance. Eliminates frost build-up, giving you more free time to enjoy life's pleasures.
<b>Warranty</b>	1 year parts and labor.
